

The Worst Witch

Rated "FANTASTICAL" by OfMag

The Worst Witch is a spellbinding performance sure to enchant everyone - including mums and dads! Millie, Maud & Enid take us all on a magical broomstick ride through the halls of Miss Cackle's Academy for Witches (although my favourite character is definitely Tabby the cat).

It's a story full to the brim with songs, spells & shenanigans. The special effects, the acting & the jokes were all brought together flawlessly for a brilliant, funny & exciting story perfect for fans of the book, the CBBC show, or, like me, those who had never heard of The Worst Witch before.
