

# The Worst Witch

The Worst Witch Live is comical and engaging. For anyone who has read the books by Judy Murphy or watched the TV series, featured on CBBC, they would love this. As the characters and plot are very similar to these they would be able to follow along nicely. However, if you have never read or watched the worst witch, it is still a great performance. It is like a musical and during all of the songs there is live music playing, accompanied with choreographed dances performed by the amazing cast. The scenery is very mystical to create a sense of danger as it is set in a school for witches. There is a very creative adaptation to all of the characters as their costumes meet your imagination's expectations. This is a great family outing and amusing for anyone above the age of 4. I would recommend this to people who enjoy magic or the Judy Murphy books.
